BIBLE VERSE MEMORY WORK:
Dec. 1 – Blessed…are those who hear the Word of God. (Luke 11:28)
Dec. 8 – God cares for you. (I Peter 5:7)

You will notice there are not the usual amounts of math and science lessons listed on this December calendar. This month we will focus on the true meaning of Christmas, Jesus' birth, and making crafts in relation to Christmas. However, these Christmas activities will often contain math, science and/or fine motor skills. Also, depending on the timing of completion of the craft, we may need to vary the day that we start a new activity.
